

# Expedition Reptile Newsletter

## Slithering into Spring:

As warmer weather arrives our team is fully awake and shedding winter sluggishness. May has been packed with school assemblies, birthday parties, and community events.

## May Madness!

Bookings are booming as families and organizations plan end-of-school-year celebrations and summer camps. Thank you to all our clients who keep the reptile education and entertainment going strong!

## Reptile Bulletin

**Sweetpea the Iguana**, our sweet and wise 22-year-old green iguana, is happily enjoying a peaceful retirement after years of dazzling crowds.

## Reptile Bulletin

**Cocoa the Boa** has officially joined the show team!

She steps in seamlessly when Cuddles needs a break (shedding, rest days, etc.), ensuring audiences still get the full big-boa experience. She has been doing a wonderful job getting used to crowds and is proving to be just as sweet as Cuddles!
